Substance of Interview

(For each issue discussed, provide a detailed description and indicate if agreement was reached. Some topics may include: identification or clarification of a reference or a portion thereof, claim interpretation, proposed amendments, arguments of any applied references etc...)

Claims 19 and 21 had been amended in the amendment of 3/24/2011 to depend from claim 10, however the same amendment had canceled claim 10. Applicant indicated that claims 19 and 21 should have been made dependent from claim 4 and authorized the included examiner's amendment making that change.

Applicant recodation instructions: It is not necessary for applicant to provide a separate record of the substance of interview.

Examiner recodation instructions: Examiners must summarize the substance of any interview of record. A complete and proper recodation of the substance of an interview should include the items listed in MPEP 713.04 for complete and proper recodation including the identification of the general thrust of each argument or issue discussed, a general indication of any other pertinent matters discussed regarding patentability and the general results or outcome of the interview, to include an indication as to whether or not agreement was reached on the issues raised.
